AML Production Scenarios

Production scenario registry | Generated 14 October 2026

13 scenarios | Risk: **13 High** | Active: **13 of 13**

#	Scenario ID	Scenario Name	Risk	Active	Detection Logic
1	PRD_0E9ACB3B	**Customers conducting cash transactions at 3 or more distinct bank branches within 2 days**	H	Yes	Flag customers who, over a rolling 2-day window, conduct cash deposits and/or cash withdrawals at three or more distinct bank branches, where distinct branches are determined by different branch IDs.
2	PRD_3640E36B	**High-value transactions on dormant accounts**	H	Yes	Detect transactions exceeding 20,000 JOD where the customer had no activity in the prior 180 days.
3	PRD_50F38BB0	**Customers making more than 5 ATM withdrawals in a single day totaling more than 3,000 JOD**	H	Yes	Identify customers who, within a single day, perform more than 5 ATM withdrawals and whose total ATM withdrawal amount for that day exceeds 3,000 JOD.
4	PRD_263DC37E	**Customers withdrawing from more than one sub-account and exceeding 50,000 JOD in any rolling 15-day period**	H	Yes	Detect customers who make withdrawals from more than one sub-account and whose cumulative withdrawal amount exceeds 50,000 JOD within any rolling 15-day window.
5	PRD_9A3EDD77	**Customers with cash deposits totaling more than 10,000 JOD within 7 days**	H	Yes	Detect customers whose cumulative cash deposit amount exceeds 10,000 JOD over a rolling 7-day window.
6	PRD_46086674	**High-frequency cash withdrawals with monthly cumulative amount threshold**	H	Yes	Identify customers who, within a 1-month rolling window, execute more than 20 cash withdrawal transactions and whose cumulative withdrawn amount exceeds 15,000 JOD.
7	PRD_4F6AE52E	**Accounts with more than 15 cash withdrawals within 30 days and total cash withdrawals exceeding 20,000 JOD equivalent**	H	Yes	Identify accounts where the count of cash withdrawal transactions is greater than 15 within a 30-day rolling window, and the cumulative total amount of those cash withdrawals exceeds 20,000 JOD equivalent.
8	PRD_37CF699D	**Accounts with more than 10 cash deposits and more than 10 cash withdrawals within 30 days**	H	Yes	Identify accounts where, within a 30-day rolling window, the count of cash deposits exceeds 10 and the count of cash withdrawals exceeds 10.
9	PRD_17146E88	**Accounts with more than 10 cash deposits and more than 10 cash withdrawals in 30 days, with withdrawals at least 90% of deposits**	H	Yes	Identify accounts over a 30-day rolling window where the count of cash deposits exceeds 10 and the count of cash withdrawals exceeds 10, and where the total cash withdrawal amount is at least 90% of the total cash deposit amount.
10	PRD_AA2ED3A3	**Accounts with more than 10 cash withdrawals within 30 days**	H	Yes	Flag accounts where the count of cash withdrawal transactions exceeds 10 within a rolling 30-day window.
11	PRD_53F58091	**Accounts with more than 8 cash deposits within 15 days and total cash deposits exceeding 10,000 JOD equivalent**	H	Yes	Identify accounts where the number of cash deposit transactions is greater than 8 within a 15-day rolling window, and the cumulative total amount of those cash deposits exceeds 10,000 JOD equivalent.
12	PRD_5B306A2A	**Accounts with more than 5 cash deposits within 3 days and total cash deposits exceeding 15,000**	H	Yes	Flag accounts that have more than 5 cash deposit transactions within a 3-day rolling window and whose total cash deposit amount over that same window exceeds 15,000.
13	PRD_7E7DF96C	**Single Cash Withdrawal Above 50,000 JOD**	H	Yes	Flag any individual cash withdrawal transaction whose amount exceeds 50,000 JOD.
